# Langkah 1

## Step 1

## Log Masuk Menggunakan Komputer Peribadi *Login Using Personal Computer*

Log masuk ke sistem MeDC@St 2.0 menggunakan `Username` dan `Password`, diikuti dengan proses pengesahan *two-factor authentication* (2FA) seperti biasa. Untuk panduan lengkap berkaitan log masuk 2FA, sila [klik di sini](#).

*Log in to the MeDC@St 2.0 using your `Username` and `Password`, followed by the usual two-factor authentication (2FA) process. For a complete guide on 2FA login, please [click here](#).*

The image shows a screenshot of the MeDC@St 2.0 login page. The page header includes the logo 'MeDC@St 2.0' and the text 'MEDICAL DEVICE CENTRALISED ONLINE APPLICATION SYSTEM'. The main content area contains a login form with the following elements:

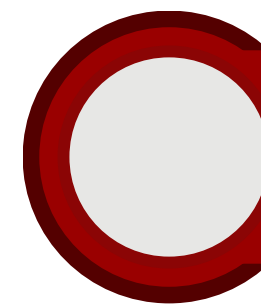

- Username field:** A text input field with a placeholder 'Enter username' and a red error message 'Username cannot be blank.' below it. A red arrow labeled '1' points to this field.
- Password field:** A text input field with a placeholder 'Enter password' and a lock icon on the left. A red arrow labeled '2' points to this field.
- Login button:** A blue button with the text 'Login'. A red arrow labeled '3' points to this button.

Below the login form, there are navigation links: 'Home | Sign Up | Reset Password | FAQ | Helpdesk | User Manual | Contact Us'. At the bottom, there is a 'MyDigital ID' button. To the right of the login form, there is an 'Announcement' section with two items: 'NEW LOGIN FEATURE VIA MyDIGITAL ID (13/06/2025)' and 'Announcement Regarding the Activation of 2FA Functionality for Login Process (04/11/2024)'. Below the announcements is a pagination control showing '1' and '2'.

On the right side of the image, there is a simplified diagram of the login process. It consists of three elements: a white box with a person icon and the text 'username', a white box with a lock icon and a series of dots representing a password, and a blue box with the text 'Login'. Red arrows labeled '1', '2', and '3' connect these elements to the corresponding fields and button in the screenshot.
